School Mission and Goals

Alice Byrne provides Individualized Instruction to challenge students at the appropriate level of difficulty. Interventions are provided to ensure that students receive multiple opportunities to practice at their educational level. These interventions also include above grade level instruction. Computerized curriculum supports students moving at their own pace, but does not take the place of effective direct instruction within the classroom.

A-F Letter Grade For The School	A
The Federal School Improvement Status	Reward
The AMO Status For This School	Met
The AYP Status For This School	Discontinued
