School Mission and Goals

Mission and Philosophy
The mission of Arizona College Prep is to prepare students in a small learning environment to be successful and disciplined in their academic, personal and professional lives. We believe in fostering a climate that encourages learning and personal growth in a structured, rigorous academic environment. We value a commitment to excellence in all we do. We value active involvement in our school community. We value positive relationships between one another. We value the

Arizona College Prep is very proud to maintain an extremely safe and productive learning environment for our students. We are fortunate to be a part of Chandler Unified School District, and as a result have access to school safety officers, and school resource officers as needed. Our school is gated and considered a safe campus where our focus on instruction can be maintained. We do a formalized bullying prevention program for all grade levels.
